

# New Ferret Checklist

Everything you need to welcome your new pet ferret into your family.

### Ferret Facts:

Average weight of adult ferrets:  
Female 1-3 lbs  
Male 3-5 lbs

Average life span of a ferret:  
5-8+ years

Males: Hobs  
Females: Jills  
Babies: Kit  
Group: Business

The most common ferret names are Bandit, Stinky & Noodle. The latin name for ferret translates to "stinky, little thief."

Ferrets are intelligent, playful & mischievous. They love to collect & hide things. Ferrets love to dig.

Never leave pets unsupervised.
