FERRET NUTRITION FROM THE FERRET EXPERTS

Ferrets are obligate carnivores. Their bodies depend on the nutrients found in meat for optimum health. Marshall Pet developed a Premium Ferret Diet to raise their baby ferrets to thrive as healthy pets.

*Proprietary
Slow Process Cold
Pressed to Retain
Essential Nutrients*

MARSHALL PREMIUM FERRET DIET IS:

- The optimal ferret food for ferrets in all stages of life
- A recipe developed by a respected team of ferret experts, veterinarians, and nutritionists
